The Learning Journal

10th October 2016

Dear Parents,

Can I encourage you to make use of Seesaw, an app we are currently using to share the children's work and successes with their parents. It's a fantastic way of motivating pupils to succeed and it has become an important means for us to share information and encourage all our pupils.

I am aware that most of our parents are connected to their child's Seesaw 'journal' but many are still not connected – it's really very easy to join, so please make use of this tremendous resource. If you are having difficulties connecting via Seesaw, please contact me at school and I will ensure the problem is rectified.

Seesaw is accessible on desktop and laptop computers, tablets and mobile phones – a QR code is available from teachers if you wish to connect via smartphone. Let us know if you need this code sent home again.

Yours sincerely,

M Beattie (Principal)
